- Refer to the Auction Information Pack for the Auction Offer submission process.

Thu 12/11/2026: Auction Submission Closing Date

- Closes at 12:00pm.
- Applicants should ensure their Auction Offer has been submitted before the deadline.
- Late submissions cannot be accepted.

Wed 25/11/2026: Provisional Auction Results Date

- Provisional Auction Results issued to all Qualified Applicants who submitted an Offer.
- Results confirm provisionally successful or unsuccessful outcomes, subject to Ministerial approval.

Fri 27/11/2026: Notice of Dissatisfaction by Participants Date

- If an Applicant does not believe the Auction Administrator applied the T&C's correctly following the outcome of Provisional Auction Results, they can submit a Notice of Auction Dissatisfaction (R6NAD) to DCEE for consideration.

Wed 09/12/2026: Final Auction Results Date

- Final Auction Results, approved by the Minister, published privately on the RESS Auction Platform (RAP).
- Qualified Applicants receive their final auction outcome: successful or unsuccessful.

EirGrid

Resilience Requirements

- **Mandatory response:** All Qualified Applicants must select “Yes” or “No” and submit the Resilience Tab within the RESS 6 Auction Timetable window. **Without a submitted response, a project cannot submit an offer**.
- **Declaration requirements:** “Yes” requires a completed RESS 6 Resilience Declaration (R6RD). “No” requires no declaration, but applicants must still submit the tab.
- **Accurate information:** Declaration information must be true and accurate at the time of submission.
- **Auction scoring:** The Resilience Score forms part of the composite auction score alongside price and energy system integration criteria, as per Section 7.7.3 (b) of the RESS 6 T&Cs.

EirGrid

Resilience on the RESS Auction Platform

All Qualified Applicants must submit the Resilience Tab by the Resilience Declaration Submission Closing Date.

Where "Yes" is selected

- ✓ Upload a completed RESS 6 Resilience Declaration (R6RD) confirming compliance, then submit the Resilience Tab.

Where "No" is selected

- ✓ Submit the Resilience Tab. No Resilience Declaration is required.

Minimum Resilience Requirement

- ✓ **Resilience Self Declaration Check**

  Select "Yes" or "No" to confirm whether your project meets the requirement.

- ✓ **Resilience Score**
  - ✓ Meets the minimum resilience requirement: 0.05.
  - ✓ If you do not meet the minimum resilience requirements: 0.00.

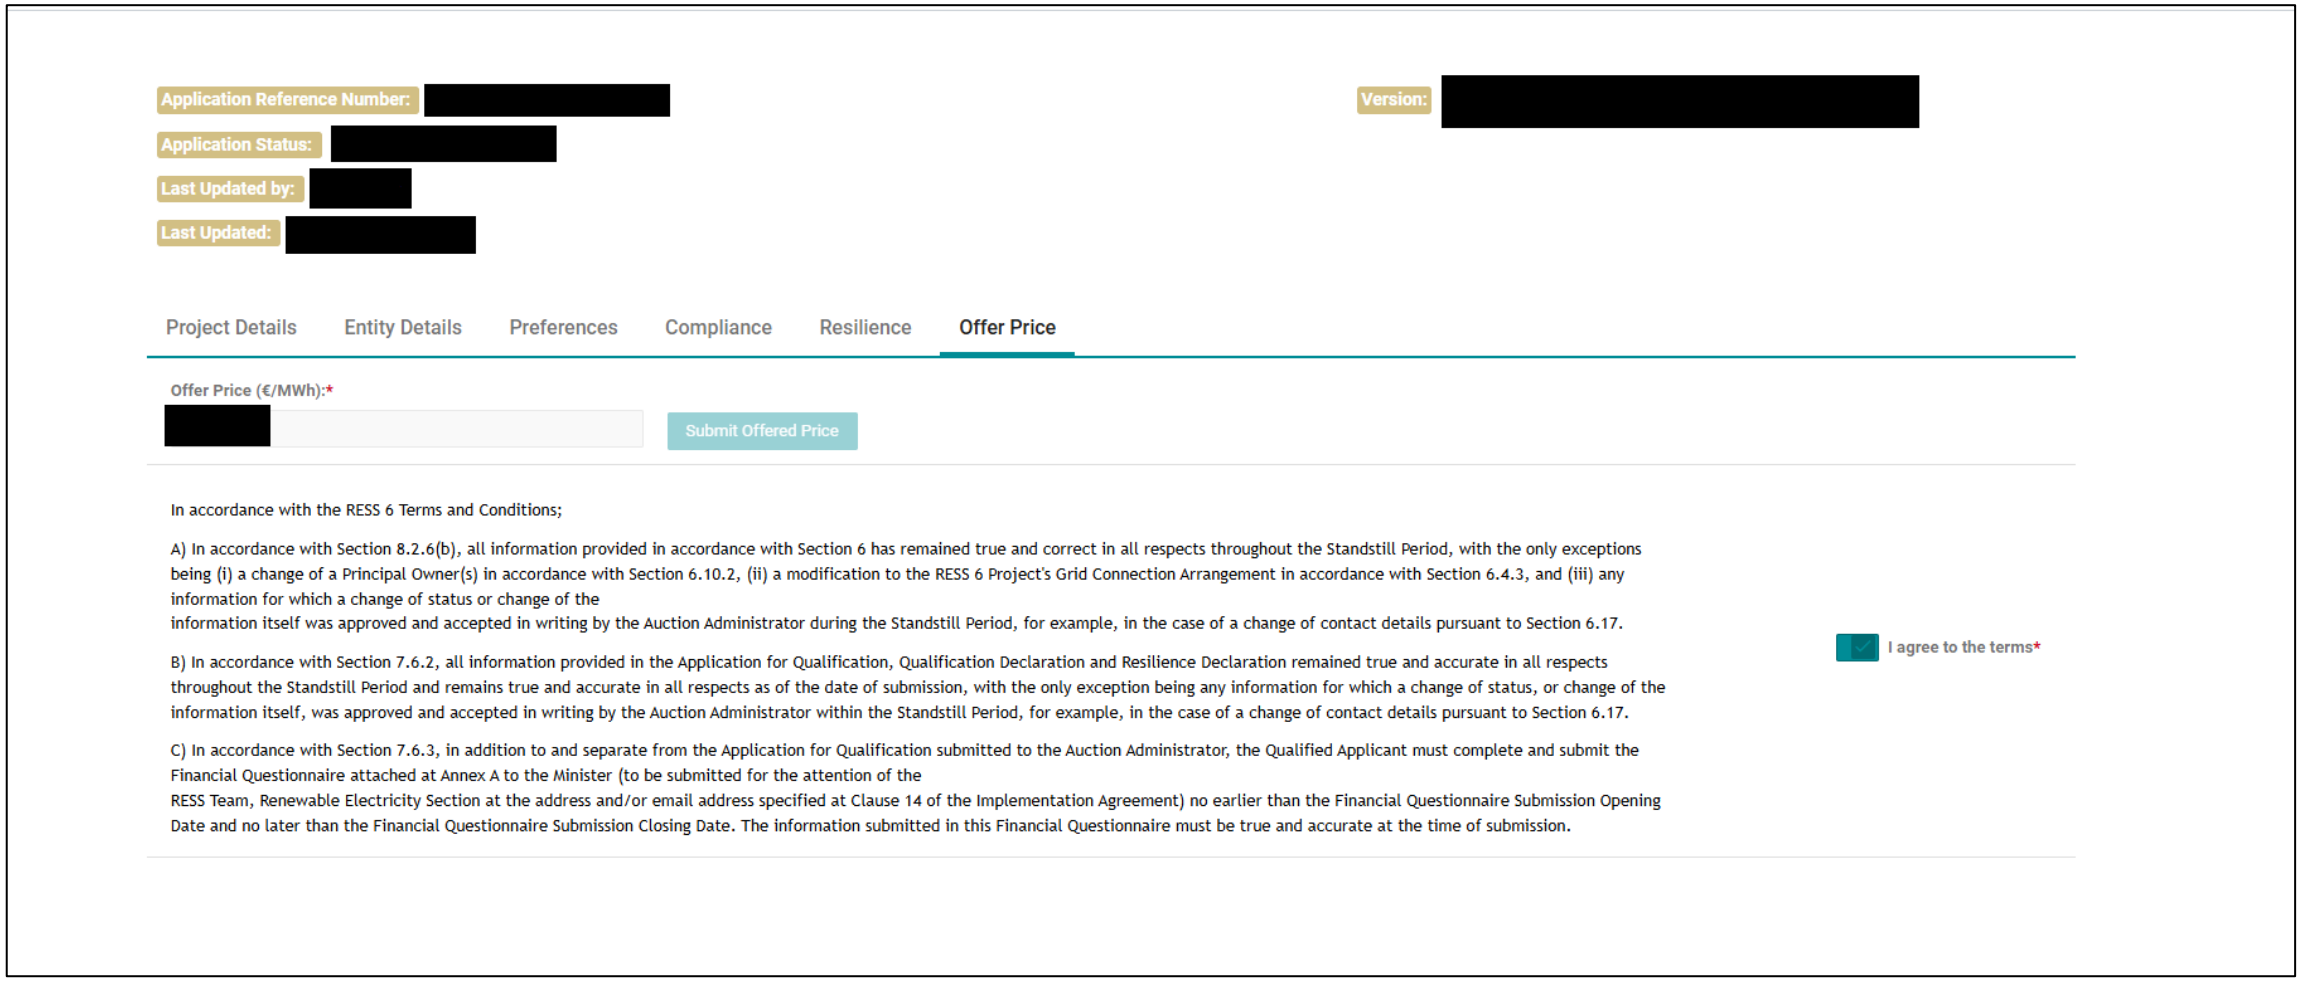
Submitting an Offer Price

The published RESS 6 Auction Parameters set the following price limits:

Onshore Wind Auction Pot	Solar Auction Pot
€105/MWh	**€110/MWh**
Maximum Offer Price Considered	Maximum Offer Price Considered

Your Offer Price must not exceed the maximum for your technology-specific auction pot.

Offer Price Tab



Technical Issues and Manual Submission

Manual submission is only available where a technical issue prevents Offer Price submission through RAP.

01

Try RAP first

Applicants must first attempt submission through RAP and immediately contact RESS@EirGrid.com if issues persist.

02

RESS Authorised User

Requests must be made by a RESS Authorised User and are subject to verification checks.

03

Form and Declaration

Following successful verification, Applicants will be issued with a Manual Auction Offer Price Submission Form and Declaration.

Submission deadline

Completed documentation must be received before the submission deadline. An incomplete or late submission cannot be accepted.

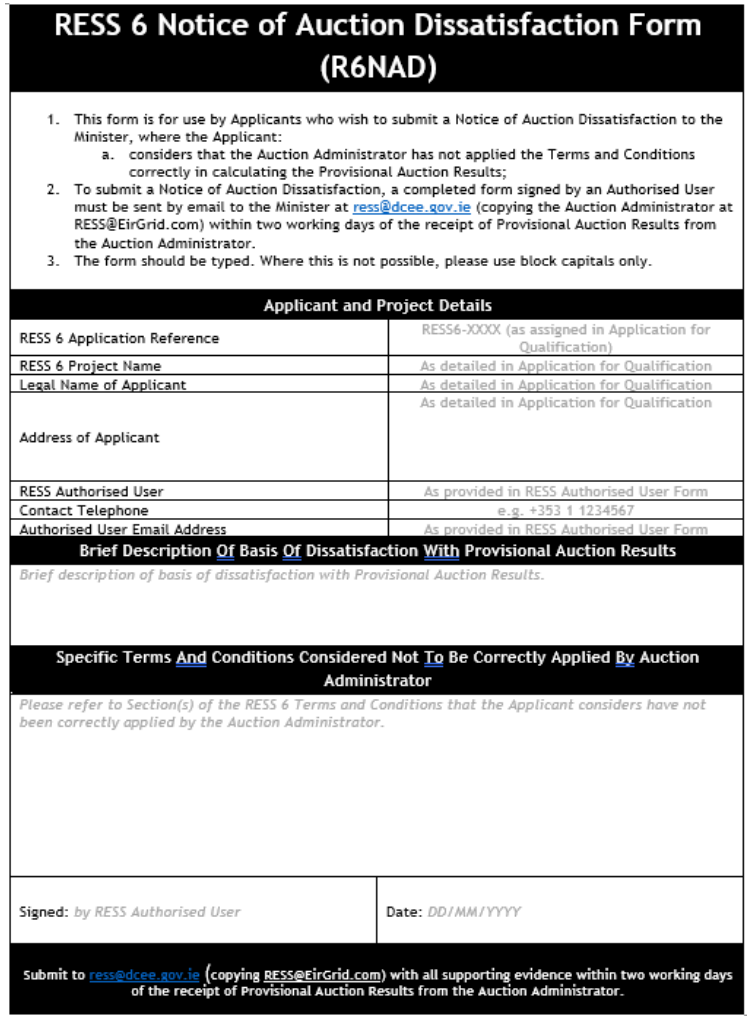
Provisional Auction Results

Results date	25 November 2026, as per the RESS 6 Auction Timetable v1.3
Applicant notification	Provisional Auction Results will be issued through RAP to all Qualified Applicants who submitted an Offer. Applicants will be notified whether their Offer was provisionally successful or provisionally unsuccessful. Results remain subject to Ministerial approval.
Public notification	The Auction Administrator will publish the total numbers of: • Applications for Qualification; • Applications for Qualification that did not qualify; • Withdrawals from the process; • Qualified Applicants who did not submit an Offer Submission Form; and • Qualified Applicants who were provisionally successful and provisionally unsuccessful.
Offer Price disclosure	The Offer Price for each provisionally successful Qualified Applicant will **not** be published.

Notice of Auction Dissatisfaction

Deadline	Within two Working Days of receiving Provisional Auction Results.
Grounds for a notice	A Qualified Applicant considers that the Auction Administrator has applied the RESS 6 T&Cs incorrectly in determining its provisional result.
Required form	Complete the R6NAD form and identify the relevant T&C provisions. A RESS Authorised User must sign the form.
Email submission	Send to the Minister: ress@dcee.gov.ie Copy the Auction Administrator: RESS@EirGrid.com



RESS 6 Notice of Auction Dissatisfaction Form (R6NAD)

1. This form is for use by Applicants who wish to submit a Notice of Auction Dissatisfaction to the Minister, where the Applicant:
   a. considers that the Auction Administrator has not applied the Terms and Conditions correctly in calculating the Provisional Auction Results;
2. To submit a Notice of Auction Dissatisfaction, a completed form signed by an Authorised User must be sent by email to the Minister at ress@dcee.gov.ie (copying the Auction Administrator at RESS@EirGrid.com) within two working days of the receipt of Provisional Auction Results from the Auction Administrator.
3. The form should be typed. Where this is not possible, please use block capitals only.

Applicant and Project Details
